31884 SUB-431 ROLLING HILLS ESTATES SECTION 1, REPLAT OF LOT 1, BLOCK 1 (2 LOTS) GRANT A VARIANCE TO TABLE 10-1 OF THE HAYS COUNTY RULES FOR ON-SITE SEWAGE FACILITIES

Caitlyn Hairell, Hays County Planner spoke. The Rolling Hills Subdivision is located off of FM 2001 in precinct 2. The proposed plat will divide Lot 1, Block 1 parcel into two lots - 0.87 acres and 1.0 acres. Water service will be provided by Monarch Water and wastewater service will be accomplished by advanced OSSFs. The Hays County minimum lot size for a lot served by a public groundwater supply system and advanced OSSF is 1.0 acre. When the applicant originally approached the County regarding the division of the lot, Monarch was considered a surface water supplier and the minimum lot size was 0.50 acres. The owner's justification for the variance is based on the fact that the requirements changed before the plat was submitted for review. Additionally, the new minimum lot size requirement will deny the owner the privileges enjoyed by neighboring properties as there are a number of lots in this subdivision which are as small as 0.27 acres. This plat has been reviewed under the County's 1445 agreement with the City of Kyle. The Interlocal Agreement is written to prohibit the City from granting a variance from the County's regulations without prior consent from the County. This action will allow the plat to move forward with City's process for final approval. **A motion was made by Commissioner Jones, seconded by Commissioner Ingalsbe to approve SUB-431 Rolling Hills Estates Section 1, Replat of Lot 1, Block 1 (2 lots) grant a variance to Table 10-1 of the Hays County Rules for On-Site Sewage Facilities. Wastewater service will be accomplished by OSSFs. The Hays County minimum lot size for a lot served by a public groundwater supply system and advanced OSSF is 1.5 acres. Lot 14A has been in the 1.25 acre configuration since 1990. This amended plat will bring the lot that was separated by metes and bounds into current county compliance. This plat has been reviewed under the County's 1445 agreement with the City of Woodcreek. The Interlocal Agreement is written to prohibit the City from granting a variance from the County's regulations without prior consent from the County. This action will allow the plat to move forward with City's process for final approval. **A motion was made by Commissioner Conley, seconded by Commissioner Jones to approve SUB-390 Twin Mountains Estates 2, Amended plat of lot 17A and 14A (2 lots) grant a variance to Table 10-1 of the Hays County Rules for On-Site Sewage Facilities. The tax freeze may be transferred to a surviving spouse in certain circumstances, and the tax freeze may be transferred to another homestead within Hays County by following the method described in 11.261 (g) of the Texas Tax Code. **A motion was made by Commissioner Conley, seconded by Commissioner Ingalsbe to establish a limitation on County property tax increases on the residence homesteads of persons who are disabled or over sixty-five years of age as authorized by Section 1-b (h), Article VIII of the Texas Constitution.
