#### **Aggregate Data**

The HCJC collects data from the referrals for investigation of sexual abuse and sexual harassment; both resident-on-resident and staff-on-resident. The data in this section contains aggregate data as well as a comparison between Calendar Year (CY) 2018 and CY 2019.

All allegations are entered and tracked through the HCJC PREA Statistics excel spreadsheet and posted at: <http://hayscountytexas.com/courts/juvenile-detention-center/documents-for-download/>. The following depicts the breakdown of CY 2019 sexual abuse and sexual harassment data; resident-on-resident; staff-on-resident and staff sexual misconduct:

- substantiated resident-on-resident sexual abuse: 0
- resident-on-resident sexual harassment: 0
- staff-on-resident sexual abuse: 0
- substantiated staff-on-resident sexual abuse: 0

The following are corrective actions completed:

- Enhanced education for all HCJC staff on PREA (annual).
