401A Broadway
San Marcos, TX 78666

The Live Oak Health Partners Community Clinic is located within the same building as the Hays County Local Health Department. Their qualified medical staff provides family-centered care for Hays County residents in a hometown atmosphere. At Live Oak Health Partners – Community Clinic, they are sensitive to the needs of the under-insured and non-insured of our community.

They accept Medicaid (BCBS and Chip Perinate), Medicare, and also offer a sliding scale for medical services based upon income. They are the medical home for the Central Texas Health Care Collaborative's Indigent Health Program.
