Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p><u>Network</u>: \$1,000 Individual / \$2,000 Family Per calendar year.</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care and categories with a copay are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. \$5,000 deductible for all morbid obesity services.</p>	<p>This plan has a separate deductible for covered members that must be met before this plan will pay for qualifying service.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Network Medical OOP limit: \$4,000 Individual / \$8,000 Family Network Plan Maximum OOP limit: \$6,350 Individual / \$12,700 Family Per calendar year.</p>	<p>The Medical out-of-pocket limit is the most you could pay in a year for covered services (includes 20% coinsurance, up to \$3,000 plus \$1,000 deductible). The Plan Maximum OOP limit includes Medical OOP, Deductible and copays. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance-billing charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See myuhc.com or call 1-866-633-2446 for a list of network providers.</p>	<p>You pay the least if you use a provider in the Designated Network. You pay more if you use a provider in the Network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
