Fireworks Retail Sales Submittal Requirements

Fireworks Sales locations in unincorporated areas of Hays County must be permitted and inspected by the Hays County Fire Marshal's Office.

Fireworks sales, Indoor or Outdoor (Stand) locations must meet all requirements of applicable State, County and Fire code requirements. The following is a check list of information that must be submitted.

___ Permit Application

___ Copy of the Fireworks Retail Permit from Texas Department of Insurance for this address. This permit must be posted in the stand or building.

___ Copy of Certificate of Liability Insurance.

___ Copy of the State of Texas sales tax certificate. This certificate must be posted in the stand or building.

___ Total number of stands to be permitted at this address.

___ Total number of indoor buildings to be permitted at this address.

Fee Schedule:

Outdoor Retail Stand \$100 plus \$75 for each additional stand at the same address/location.

Indoor Retail Sales Building \$200, plus \$100 for each additional indoor retail sales building at the same address/location, plus \$75 for each stand at the same address/location.

Permitting is only required once per calendar year and must be submitted a minimum of 30 days prior to the first approved sales period.

Approved sales periods: Texas Independence Day, San Jacinto Day, and Memorial Day, Independence Day and New Year's Eve. After a permit is issued, any restriction of sales (Court ordered suspension of sales) will be relayed to the permit holder.

The Hays County Fireworks Retail Sales Permit must be posted in a conspicuous location inside the retail sales location during all allowed sales periods and provided to the inspector(s) when requested.

Additional Requirements:

_____ Post your address numbers and emergency contact information on the exterior of each stand/building.

_____ Inspection(s) will be performed prior to and during the allowed sales periods.

_____ No fireworks may be stored inside your stand or building between sales dates and/or seasons.
