Fireworks Display Submittal Requirements

All Fireworks Displays in unincorporated areas of Hays County which are not covered by an adopted Emergency Service District fire code are to be permitted and inspected through the Hays County Fire Marshal's Office.

Fireworks Displays in Hays County shall meet all requirements of all applicable State, local agreements, and Hays County Fire Marshal requirements. The following information shall be submitted and the display is not approved until you receive your permit.

____ Permit Application

____ Copy of the license issued by the Texas Department of Insurance, Fireworks Special Effects Operators License for each operator at the permitted event location.

____ Certificate of Liability Insurance.

____ Site location map or drawing (Including: launch site, audience location, designated safety zones with the minimum required distances indicated for each).

____ Letter of Intent (Including: description of event, size and quantity of fireworks to be utilized, launch method, approximate audience size, description of the event location and list of firefighting equipment available, (i.e. water cans, fire extinguishers, sand, shovels, etc.)

____ Fee Schedule: Single shoot date \$100, additional shoot dates \$50 per shoot date.

____ Inspection(s) may be performed prior to and/or during the event.

Permitting is only required once per event and shall be for that event only, Alternative dates, if already scheduled, may be included with original permit. If the permitted event date is cancelled for any reason, contact the office by email and a new permit with the new date will be issued without further submission requirements. All required documentation may be sent via email. Submission must be completed no less than 10 working days prior to the event. If the display is part of a mass gathering event, it must be submitted 30 days prior to Mass Gathering Hearing.
