RE: *Approval of additional participants to the Hays County Local Mitigation Plan Update*

Dear Judge Cobb:

I want to offer my congratulations to Hays County and all its participants on receiving FEMA's approval of the local mitigation plan. By receiving this approval all participating jurisdictions are eligible for Unified Hazard Mitigation Grant funding, which includes the Hazard Mitigation Grant Program (HMGP); Pre-Disaster Mitigation (PDM) and the Flood Mitigation Assistance programs. Your efforts demonstrate your commitment to implementing actions that eliminate or reduce the severity of natural hazards on people and property.

See the attachment for the list of jurisdictions having submitted their adoption resolutions.

Your plan was approved on November 28, 2012, and expires in five years on November 28, 2017, at which time an Update will be due in order to remain eligible for Unified Hazard Mitigation Grant funding.

If you have any questions or concerns, please contact the Mitigation Plans Officer, Carolyn Sudduth 512-424-5683 or via email at carolyn.sudduth@dps.texas.gov.

Sincerely,
