Hays County is sponsoring a meeting for veterans and their dependents to share information gathered by a County Veteran Task Force.

The Task Force, appointed by Commissioners Court last winter, offered recommendations which would allow Hays County to further improve efficiencies and effectiveness for all the residents of the county, without duplicating services already provided at the state or federal level. "There's a host of services available to veterans and their qualified dependents from federal, state and local sources," said Mike Mendoza, interim Veteran Services Officer for Hays County. "We want to make sure that our veterans understand what those services are and how to access the services and programs they're entitled to.

One of the topics of discussion will be medical transportation to and from the Audie Murphy Veterans' Hospital in San Antonio.

Unlike a number of other counties, Hays County currently offers shuttle transportation for veterans with medical appointments at the VA hospital. Hays County Commissioners want to share those findings with area veterans and gather additional input.

The meeting is scheduled for Thursday, May 27, at 7pm. at at the VFW Post in Kyle. Attendees to date will include Hays County Commissioners Jeff Barton (Precinct 2) and Debbie Ingalsbe (Precinct 1), and possibly other members of the Court. We need to clarify if a quorum of the Court will be present or we may wish to post this as a public meeting in an abundance of caution.
