SUMMARY

In FY13 the Sheriff's Office was approved for one each laser radar in the amount of \$3,450. The Sheriff's Office has identified a laser radar that is less in price and would allow the S.O. to purchase two for the price of one. The shipping fee of \$30.00 is also identified in the g/l due to savings from other budgeted items. The total amount for two lasers is \$3,450 with shipping included.
