SUMMARY

In 2012 the Sheriff's Office and Commissioner's Court entered into a 5 year contract with Securus Technology related to the inmate telephone system. As an incentive for entering into this agreement, Securus contributed \$40K to the HCSO for future Technology needs. The remaining funds were not rolled to the FY 2013 budget; however on Oct. 23, 2013 Commissioner's Court agreed to transfer funds to the Sheriff, Jail Division for technology equipment in the amount up to \$20,000. At this time the Sheriff's Office, Jail Division is requesting an amount of \$5,990 to include: 1 each software license for Odyssey Jail Data Export feature.

The S.O. signed a contract with Securus to install and provide video visitation for the Jail. The video visitation system will not function without the 'Data Export' feature. Tyler Technologies can provide this function in the Odyssey system.
