## **Carla is President and CEO of ColorMix Graphics & Printing, LLC.**

She is no stranger to the Hays County Civic Center or the needs of the Youth Show participants. As a Hays County 4-H member from third grade through high school graduation, Carla spent many hours at the Civic Center showing livestock, competing in Horse Shows, and interacting with both 4-H members and leaders from across Hays County. She has maintained relationships with many people across Hays County and has a firm understanding of the growth and change that has brought Hays County into the 21<sup>st</sup> Century.

As a local business owner, Carla is actively involved in the San Marcos Chamber of Commerce and recognizes the needs not only of the county but of the county seat. With her own son now an active 4-H member, Carla serves as a 4-H leader and volunteers her marketing expertise in promoting the Youth Livestock Show and the 4-H Program as well as the 4-H Dove Hunt.

Recognizing the need for a comprehensive commercial printing management service, Carla launched ColorMix Graphics & Printing in 2002 to provide a single source supplier of quality printed products for San Antonio's diversified business community. Operating under the true partnership-in-business philosophy, Carla lends her expertise in cutting edge printing technology to provide project management and quality control for a wide range of printing services including large format graphics, screen printing, digital printing, offset printing, and promotional products. Carla opened the new corporate headquarters in her home town of San Marcos in 2009, maintaining a production facility in San Antonio.

Prior to opening ColorMix Graphics & Printing, Carla gained her knowledge and experience in the commercial printing business as a sales representative and project manager with companies in Austin and San Antonio, and has been in the printing industry since 1993. Before the print industry, Carla worked in management and merchandising within the retail industry, completing internships with Wal-Mart and Randall's and then went on to graduate from the HEB Store Management Training program as a General Merchandise Manager.

Carla is a proud Aggie, having earned her BBA in Marketing from Texas A&M University in 1992 where she was named Student of the Year by the Center for Retailing Studies. Carla is also a graduate from the Leadership Lab Class of 2005 from the North San Antonio Chamber of Commerce, and the Entleadership program in 2011. Carla is the proud wife of Steve Sisk and mother of Scottie who is 13 years old and attends Hill Country Christian School. Carla also enjoys working with the college and high school age groups at her church and also volunteers time to help with fund raising for the McCarty Student Center in San Marcos at Texas State University. In her spare time, she enjoys singing and performing with her dad and his band, the Seldom Heard, and keeping up with Scottie and all of his sporting events.
