HAYS COUNTY COMMISSIONERS' COURT

Resolution # 28872 VOL V PG 110

Hays County Civic Center Advisory Board

Advise the Hays County Commissioners Court and participate in a feasibility study to identify the following:

1. design criteria necessary for effective and efficient operation of a new Hays County Facility for the purpose of serving the youth of Hays County, meeting the needs of the Hays County Youth Livestock Show, and supporting agricultural related vocational education ; and
2. a suitable location for a new Hays County Facility for which the land, design, and improvements may be funded with proceeds from the sale of the existing County owned Civic Center site and private contributions; and
3. an organizational plan which will provide for ongoing operation and maintenance of the new Hays County Facility.

Recommendations from the Hays County Civic Center Advisory Board shall be presented to the Hays County Commissioners Court on or before September 10th, 2013.
