Nothing in this Agreement shall be construed to interfere with the City's and County's legal right to autonomously maintain and repair roads that have been identified as part of each entity's respective road system, particularly if the condition of said roads, in the Party's opinion, poses a safety or mobility concern.

#### 5.3 Entire Agreement; Amendments.

This Agreement contains the entire agreement between the parties respecting the subject matter hereof, and supersedes all prior understandings and agreements between the parties regarding such matters. This Agreement may not be altered, amended, or modified except in writing signed by all parties to this Agreement. No official, agent, employee, or representative of either the County or the City has the authority to alter, amend, or modify the terms of this Agreement, except in accordance with express authority as may be respectively granted by either the County Commissioners Court or the City Council.

#### 5.4 Interpretation.

The parties acknowledge and confirm that this Agreement has been entered into pursuant to the authority granted under the Interlocal Cooperation Act. All terms and provisions hereof are to be construed and interpreted consistently with that Act.

5.5 Severability.

Any clause, sentence, paragraph or article of this Agreement which is determined by a court of competent jurisdiction to be invalid, illegal, or unenforceable in any respect shall not be deemed to impair, invalidate, or nullify the remainder of this Agreement if the Agreement can be given effect without the invalid portion.

5.6 Applicable Laws.

This Agreement shall be construed in accordance with the laws of the State of Texas.

Each party hereto acknowledges and represents that this Agreement has been duly authorized by its respective governing body. This Agreement shall not become effective until approved by the City Council of the City and Hays County Commissioners Court and signed by both parties.

The County agrees that it will, to the extent permitted by applicable law, save, protect, defend, and hold harmless the City from any and all suits, claims or causes of action, or public liability which may arise out of or in any manner be connected with County operations or programs, and the negligence, recklessness or intentional misconduct of County employees, agents or servants in performing or failing to perform the County's obligations under the terms of this Agreement.

Nothing herein shall be deemed in any manner to constitute a waiver of any immunity or affirmative defense which may be asserted by the County or the City pursuant to law. Nor shall this provision be in any manner construed to create a cause of action for the benefit of any person not a party to this Agreement not otherwise existing at law.

5.9 Duplicate original counterparts; other similar agreements distinct.

This Agreement may be executed in duplicate original copies by the parties. Similar agreements by and between the City or County and other contracting entities may be made; each such separately executed version of this Agreement is and shall constitute a separate and distinct agreement between the City or County and the particular other County, but does not create obligations or rights as between contracting entities.

5.10 Alternative Dispute Resolution.

It shall be a prerequisite to either party seeking legal or equitable relief for any disputes arising under or related to this Agreement or the Maintenance Services that mediation be conducted. If they are unable to agree to a mediator and mediation process, the parties agree to use the Dispute Resolution Center of Austin, Texas, as the provider of mediators for mediation as described in the Texas Civil Practice and Remedies Code, section 154.023. Unless both parties are satisfied with the results of any such mediation, it will not constitute a final and binding resolution of the dispute; provided, however, that any mutually agreed settlement reached in such mediation may be enforced by any court of competent jurisdiction. All communications within the scope of the mediation are and shall be confidential as

provided in said section 154.023 unless both parties agree in writing to waive confidentiality.

5.11 Non-waiver.

Any act of forbearance by either party will not constitute and will not have the effect of an amendment of this Agreement. The failure of either party to exercise any right under this Agreement under certain circumstances does not imply a waiver of such right under like circumstances later occurring.

5.12 Interpretation and Reliance.

No presumption will apply in favor of either Party in the interpretation of this Agreement or in the resolution of any ambiguity of any provisions thereof.
