RE: Mustang Valley subdivision, Section VI

Dear Commissioners and Judge:

Matkin Hoover Engineering & Surveying, at the request of Rincon Group, L.P., is requesting that Hays County accept construction of roads in the Mustang Valley subdivision, Section VI. Matthew McCormick, P.E. has submitted a concurrence letter and as-built plans as required by Hays County.

I recommend that the construction be accepted.

Respectfully,

Jerry Borcharding, P.E.
Director

Engineer's Certification Letter

Dear Mr. Borcharding,

This letter is to certify that the civil related improvements associated with this project are substantially complete and have been installed in general accordance with the Construction Plans and Specifications, as approved by the Hays County. It is my recommendation that all temporary erosion control measures remain in place and continue to be maintained by the contractor until vegetation is established to the final stabilization standards set forth by TCEQ and/or Hays County and Notice of Termination (NOT) has been submitted to TCEQ.

If you have any questions or need additional information please contact our office.

Sincerely,
Matkin Hoover Engineering & Surveying
