RE: Jail capacity

Hays County's current maximum jail capacity is 362 inmates. Jail Standards recommends holding approximately 10% of capacity open. That lowers our recommendation to **311**.

The jail's daily average was **306** and peak was **321** for the week of August 11-17, 2013.

The maximum female capacity is **56** inmates.

Last week's average was **39** and peak was **43** on 8/16/2013.

The maximum male capacity is **276** inmates.

Last week's average was **270** and peak was **281** on 8/15/2013.
