SUMMARY

On March 27, 2012 the Commissioners Court authorized a Project Grant Agreement with the Texas Department of Transportation (TxDOT) for maintenance funding - in the amount of \$3000 - for vehicles in the Veteran Services Office. Although a grant application has been submitted for similar funding for FY14, federal funds have not yet been released for a grant award. Since these funds have not yet become available, TxDOT has offered to extend the deadline for expenditure of the balance of the FY12 award from August 31, 2013 to December 31, 2013. The attached Amendment extends the expiration of the grant to this date.
