This list identifies individuals who are licensed by the state, typically work in this area and who have asked to be included on the list. It is provided as a service to On-Site Sewage applicants and is not to be construed as a recommendation of their services. A complete list of all licensed installers and site evaluators can be obtained from TCEQ (512-239-2150). You are encouraged to review references of any installer, site evaluator or designer before contracting for services.
