

Notice of Virtual Open House for the Hillside Terrace Improvements Project

Hays County is planning for improvements to Hillside Terrace from I-35 to Old Goforth Road and along Old Goforth Road from Hillside Terrace to Green Meadows Lane in Hays County, Texas and is hosting a virtual open house to share project updates and information on the proposed improvements.

VIRTUAL OPEN HOUSE

Thursday, Jan. 27 – Friday, Feb. 18, 2022

[Hillside Terrace Improvements.com](https://hillside Terrace Improvements.com)

You can visit anytime during the open house period to watch the video and provide your feedback.

The virtual open house will be a pre-recorded presentation in both English and Spanish and hosted on the project website at hillside Terrace Improvements.com.

If you have special accommodations or need materials in another language, please call 512-400-4297 and every effort will be made to accommodate your request.

Materials included in the presentation will also be available, Monday through Friday from 8 a.m. to 5 p.m. at the Hays County Precinct 2 office, 5458 FM 2770, Kyle, TX 78640.

Since the last virtual open house in Spring 2021, developers have submitted plans to construct several new residential communities and commercial properties along Hillside Terrace. As a result, the County is refining the previous design plans to accommodate the anticipated additional traffic. This project will add capacity, and improve safety, mobility and connectivity.

Proposed Improvements to Hillside Terrace

I-35 to Old Goforth Road

- Widen the two existing travel lanes to 12 feet
- Add a 12-foot continuous center turn lane
- Add 5-foot bike lanes to each side of the roadway
- Improve intersection at I-35

Old Goforth Road to FM 2001

- Widen Hillside Terrace to two 12-foot travel lanes in each direction
- Add a 14-foot continuous center turn lane
- Add 5-foot bike lanes to each side of the roadway
- Improve intersection at Old Goforth Road

Proposed Improvements to Old Goforth Road

Hillside Terrace to Green Meadows Lane

- Reduce travel lanes to 11 feet
- Add a 14-foot continuous center turn lane
- Add a 5-foot bike lane to the east side of the roadway

The project length for Hillside Terrace is 1.78 miles and the existing right of way width varies from 40 to 60 feet. The proposed right of way width for Hillside Terrace from I-35 to Old Goforth Road will vary from 65 to 150 feet while the proposed right of way width for Hillside Terrace from Old Goforth Road to FM 2001 is 150 feet.

The project length for Old Goforth Road is 0.3 miles and the existing right of way width for from Hillside Terrace to Green Meadows Lane varies from 38 to 70 feet. The proposed right of way width will vary from 59 to 92 feet.

Additional right of way would be required to construct the proposed improvements; however, no residential or non-residential structures are anticipated to be displaced at this time.

Comments can be submitted anytime during the virtual open house period, Thursday, Jan. 27 to Friday, Feb. 18, 2022. Comments can be submitted through the following methods:

Mail: Hillside Terrace Improvements Project
