

Make a basic emergency supply kit

Printable!

- ☐ First aid kit with seven-day supply of medications and medical items
- ☐ Spare changes of clothing; think layers
- ☐ Map(s) of the area
- ☐ Extra cash (suggested: \$200 in small bills)
- ☐ Cell phones, chargers, flashlights, batteries
- ☐ Family and emergency contact info
- ☐ Pet supplies: collar, leash, tags, food, bowl
- ☐ One gallon water/person per day (3-day supply)
- ☐ Copies of personal documents in water-tight bag
- ☐ Three-day supply of non-perishable food, can opener
- ☐ Battery-powered or hand-crank radio (NOAA Weather Radio if possible)
- ☐ Spare home and car keys
- ☐ Personal hygiene and sanitation items, blankets
- ☐ Wrench or plyer, other tools you may need

You never know what may happen. Be prepared by creating your own emergency supply kit!
