

## Clinical Services

Hays County Local Health Department currently partners with Christus Trinity Clinic to provide low cost health services to Hays County residents. The clinic is located in the same building as the Hays County Local Health Department at 401-A Broadway St. in San Marcos. The clinic accepts Medicaid and Medicare. Fees are based on a sliding scale.

Services Include:

- Routine medical visits
- Low-cost vaccinations for adults and children
- Treatment for sexually transmitted infections
- Prescription assistance program
- Other services

For more information about available services or to schedule an appointment, visit the Christus Trinity Clinic [website](#).
