

Jacob's Well Natural Area Field Trip Interest Application

Note to applicants: Hays County Parks staff are able to organize field trips on a case-by-case basis, depending on available resources. Any school or education organization is welcome to apply; however, due to space and personnel restrictions, we are most easily able to accommodate groups of 100 or less. For groups of more than 100, a modified or multi-day field trip may be necessary. There is no fee or cost to participate in a field trips at Jacob's Well.

Please specify your preferences in the form below and e-mail to: katherine.sturdivant@co.hays.tx.us.

Please note that educational field trips do not include swimming. Groups wishing to swim will need to make a separate swimming reservation on the Hays County Parks website: <http://www.co.hays.tx.us/jwna.aspx>
