

# Onion Creek Watershed Hydraulic Study

Hays County in collaboration with the Texas Water Development Board (TWDB), is hosting an in-person public meeting to share information and seek input from community members on the Onion Creek Watershed Hydraulic Study.

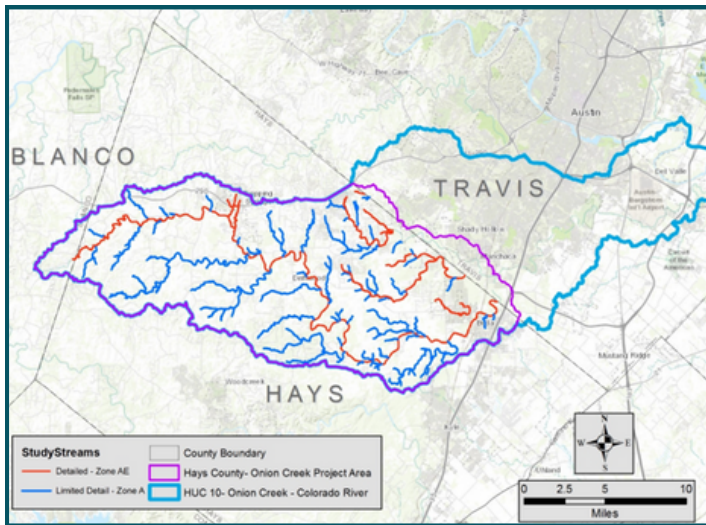

## ATTEND THE PUBLIC MEETING!

Thursday, September 14, 2023  
4:00 – 7:00 p.m.

Driftwood Community Center  
15112 W RR 150  
Driftwood, TX 78619

The public meeting is an opportunity for community members to learn about the study and share input on flooding and water flow concerns in the area. This study will help the County better understand water flow from the Onion Creek Watershed and what areas would be impacted by 100-year and 500-year storm events. This study will also identify conceptual flood mitigation alternatives for areas with repetitive flooding impacts. **All materials will be available online, and the comment period will be open through Thursday, September 28, 2023.**

## SUBMIT YOUR COMMENTS: SEPTEMBER 14 – SEPTEMBER 28, 2023
